Please join me in congratulating Founder [Malini Srinivasan](#) and the [vlinder.io](#) team for winning the [Government Blockchain Association's](#) Innovation Showcase. Grateful to [Gerard Dache](#), [Kathy Dache](#), [Priya Guliani](#) for organizing this event. We highly valued the expertise and insights from our distinguished judges for this event. Startups were evaluated and scored on originality, value proposition, sustainability, scalability, ROI and other criteria.
